

Code of Conduct and Ethics

We treat each person we meet within the scope of our work for Tribotecc GmbH with respect and dignity.

We respect the laws, the social norms and our internal policies and procedures, in particular when it comes to environmental protection as well as for occupational and plant safety.

We seek business partners who consider the broader impact of their activities on human rights and environmental issues within the community in which they operate.

We promote the business interests of Tribotecc GmbH in a context of fair competition.

We preserve and protect the assets of Tribotecc GmbH; we use the work materials entrusted to us efficiently and as intended.

We do not place our own interests excessively above the interests of Tribotecc GmbH. In particular, we pay attention to the insider trading regulations and consider carefully the giving and receiving of gifts and hospitality.

We provide the financial statements of Tribotecc GmbH and/or the required documents in a complete, correct, intelligible and prompt way.

We do not disclose confidential affairs of neither the company, of its employees nor of its business partners to unauthorised persons.
